# 2021 Attendance

BOY SCOUTS OF AMERICA®  
THEODORE ROOSEVELT COUNCIL

- In 2021 we had 1159 scouts and 338 leaders.
- We had 99 units attend camp throughout our 5-weeks camping season.
- 71 of those units are from Theodore Roosevelt Council.
- Those units who opted out in 2021 have until October 1st to put down a deposit and redeem their site. At that point in time, units can reserve or change sites/weeks for 2022.
- We currently have 4 potential new units for 2022.

# 2021 Improvements

BOY SCOUTS OF AMERICA®  
THEODORE ROOSEVELT COUNCIL

- Thanks to the generosity of several of our units we were able to update and include new latrines that featured flush toilets in both Flathead and Geronimo.
- If you would like to learn how to put one of these in your site, please reach out [Kevin.Shea@Scouting.org](mailto:Kevin.Shea@Scouting.org)

The browser's address bar also shows several tabs and a search bar. The webpage header features the Theodore Roosevelt Council logo and navigation links: Join, Calendar, Donate, Newsletter Signup, MyCouncil, and a search bar. ### UPDATING YOUR UNIT PIN

Now is the time to be Kind by doing a Good Turn and updating your pin so people who are looking for a great Scouting unit can find you!

#### WHY?

Updating your BeAScout.org "pin" is simple, and it's a good way to make sure your information is current. Displaying last year's Cubmaster or meeting time doesn't exactly impress new families interested in joining.

#### WHAT IS A Unit Pin?

We call it a "pin" because when families search BeAScout.org and ask to find Scout units within a certain number of miles around their address, the answers are listed next to a map with what looks like pins marking the location of each unit.

#### 30% OFF PURCHASE

So, national is offering a special discount: update your Unit Pin and receive 30% off at Scoutshop.org! Promo code: PIN 30

### HERE ARE THE STEPS

1. Go to My.Scouting.org
2. In the drop-down menu, select your unit, then Organization Manager.
3. On the next screen, select Unit Pin on the left-hand side to see the fields you can update.
4. Enter all the updated information for your unit and then click save at the bottom of the screen.
5. Note that it may take a few hours, or up to overnight, for the updated information to show up.

#### FOR A DETAILED STEP-BY-STEP GUIDE ON CHANGING YOUR PIN, SCAN THE QR CODE BELOW

#### FOR VIDEO INSTRUCTION ON HOW TO CHANGE YOUR UNIT PIN, SCAN THE QR CODE BELOW

If you have any questions or experience technical difficulties while updating your pin, please contact your District or Unit Commissioner

BOY SCOUTS OF AMERICA

## Online Transfers

If the Scout is transferring to another unit in the same council, using the online transfer tool is the most efficient way to transfer a Scout from one unit to another. A paper application is not needed. A unit leader in the old unit or the parent can do the transfer.

### Begin Here

Log into my.scouting.org. Select the Menu then Select "My Application," you can transfer yourself as an adult volunteer or your youth member from unit to unit.

### Make the Transfer

Unit leaders will be able to transfer youth by going to the new "Roster" feature in "Member Manager" and "Organization Manager" and select the youth who need to be transferred; then click the "Transfer" icon. This will create a transfer application which will be sent to the new unit with the ability to be approved in "Application Manager".

### The Next Step

Transfers will take 48 hours to sync with the new unit.

For instructions on how to transfer a Scout to a unit out of Council please Scan the QR Code below

For a visual walk through of doing an online transfer- in council, of a Scout or volunteer scan the QR Code below

## ACTIVATING ONLINE REGISTRATION

Growing your Unit is just a click away

The online application process for youth and adults can be completed from start to finish without a single piece of paper changing hands.

Prospective members and leaders can register and pay in a way that's convenient for them, and it creates a more efficient and user-friendly registration experience for units, districts, and councils.

### UNIT GUIDEBOOK

This comprehensive Online Registration Unit Guidebook provides directions on how to set up and use the online registration system. (scan QR code to view)

### INVITATION MANAGER

- Invitation Manager is your leads resource tool. This is where any inquiries from BeAScout will come in and await your response.
- You can also add leads manually during joining events or from names provided by unit members and send invitations to join that include a link to your unit's application.
- There is also a URL and QR code specific to your unit that can be downloaded from this tool to use in your unit's recruitment efforts.

### APPLICATION MANAGER

Application Manager is the place where you review and take action on applications that are submitted by families. Most families expect a response within 24 hours of submitting an application.

### HOW TO USE IT?

For step-by-step instructions on configuring online membership registration, please scan the QR code up top or use the link below!
