2023 National Jamboree Payments and Refund Policy for Youth and Adult Participants

General Policy

- The Council contracts for services on behalf of the National Jamboree contingent participants. Council's commitment begins when you apply on the National BSA site as an adult or youth participant. The current fee schedule is published and is subject to change based on the finalized itinerary.
- Generally, there are no refunds of any money that has been expended on behalf of a jamboree participant. These expenditures include, but are not limited to national jamboree payments, transportation fees, equipment purchases, and jamboree patches.

Hardship Refund Request

- Exemptions can be considered to allow for partial and full refunds considering hardship circumstances. These circumstances include unforeseen medical problems and a death in the immediate family.

Non-Hardship Refund Request

- If there is a youth participant who is an acceptable replacement and that replacement is paid up according to the Council payment schedule, and the Council Contingent is FULL, a partial or full refund will be considered.

Submitted Requests

- Refund requests will be considered when an adult participant or parent/guardian of a youth participant submits a refund request in writing to the Jamboree Committee of the Theodore Roosevelt Council advising them of the circumstances of the withdrawal from the 2023 Theodore Roosevelt Council National Jamboree Contingent.
